

Parker & Quinn

"Timeless New York dining in the Fashion District"

Parker & Quinn is the signature restaurant of the Refinery Hotel. New York's energy and authenticity are palpable at this modern American bistro that channels Gotham's grit and glamour. Just like New York City, Parker & Quinn is inherently American with a global appeal, meant to transcend decades with design touches spanning 1920's New York through present day. Parker & Quinn is a gathering place for all, where solo travelers and large groups are equally welcome.

Executive Chef Jeff Haskell brings 20 years of experience to Parker & Quinn, and has created a seasonal menu rooted in superior products through an established network of small farmers, fish mongers, and other local artisans. Chef Haskell takes a straightforward and rustic approach in his kitchen, relying on high quality and locally sourced ingredients combined to produce balanced and approachable New American dishes.

Our beverage menu focuses on quality and affordability with wines from small growers and beers from domestic craft brewers. The cocktail menu blends classic and contemporary cocktails comprised of fresh ingredients and artisanal brands designed by our experienced bar team under the direction of our lead bartender, Jimmy Fransioli.
